

Dear Participant of International Workshop of Theory of Submanifolds,

We prepare a quick guide of campus at which the workshop will be held.

Here is a mapping of campus:

- 1- Metro Entrance
- 2- SDKM(“Süleyman Demirel Kültür Merkezi”). We will have the Conference Dinner (June 3, Friday 18.00). (Note. We need to ask participants if they wants to join to Conference Dinner.)
- 3- Faculty of Arts and Science (“Fen-Edebiyat Fakültesi”). Conference Area. All talks in the workshop will be in the Faculty Conference Room (“Fakülte Toplantı Salonu”) at 3th Floor.
- 4- Cafeteria. We will eat lunches here (June 2 and June 3). (Note. We need to ask participants if they want a special food such as vegan etc.)
- 5- “Küçükçekirgen”. We will eat “closing lunch” here.
- 6- Guesthouse. For accommodation of invited speakers.

Note. See other pages for satellite pictures on which you can see the entrance to campus from the Metro station.
